## Middle School Production:

A Comical Version of  
The Princess and  
The Pea  
By Vern Adix

Attention all people of the realm. Come see the hilarious performance of this classic fairy tale this Saturday. Here are some of the unusual situations you will learn about:

1. Why does the King dislike butterflies sooo much?
2. What is Prince Albert's usual lunch? And does he like it?
3. How are horses different in the land of Pilsenferfer?
4. What important news are the King and Queen waiting to learn in their newspaper called The Daily Scroll?
5. What is the wizard's alternate identity?
6. What is shuffleboard and do you really use mops to play the game? Ask your PE teacher.
7. What are the standard tests to see if a princess is qualified to marry the prince?
8. How do food, age, barbells and buttons all play an important part in deciding who will marry the prince?

To find out the hilarious answers to these questions and enjoy an evening of entertainment, come to the show on:

October 30<sup>th</sup> @ 2:00 & 7:00 pm  
Crossroads Activity Center

## Library News:

**LIBRARY FINES** -- we will NOT be charging library fines during the 2<sup>nd</sup> quarter as originally announced.

**HOLDS** - although our library system permits the placing of library holds from home, we are **disabling** this function until after Thanksgiving. This will enable the library staff to fully learn the new system and plan the procedures for handling holds. Books already on hold will remain in the system.

**REVIEWS** - we are also **disabling** this feature for the time being. This feature will be enabled again at a later date.

## Operation Christmas Child:

We will kick off our annual Operation Christmas Child project on 10/29. Be sure to watch for your brochure to come home soon detailing ideas for things you might pack in a shoebox to send to a needy child.

Check out [www.samaritanspurse.org](http://www.samaritanspurse.org) for more information!

## Athletics:

Good luck to our Varsity Volleyball, Varsity Tennis, and Varsity Cross Country Teams who will all be playing in the State Championships this week! Way to go Eagle Athletes!

## Grandparents' Fellowship Organization:

We are looking to form a group of *grandparents* who are interested in supporting our GRACE family. This group will be much like our Parent Teacher Fellowship. We want their ideas and help to make GRACE an even better place!

Your child's grandparents are invited to attend our first Grandparents' Fellowship Organization Meeting. We will be hosting a Grandparents' Luncheon at Mimi's Cafe in Cary on November 3, 2010 at 12 p.m.

We look forward to seeing you on November 3!

## Herff Jones:

Herff Jones will be on campus Friday, October 29 for Juniors and Seniors to order class rings as well as graduation items. Make sure to look over your order form information before Friday!

## Community Outreach:

November 15 will be a busy day for our students. Groups of students will be participating at various locations where they may participate in community outreach projects. In order to best serve through this outreach, we have been asked to bring specific items to aide the ministries. Those items are:

Non-perishable Food  
Toys (new please)  
Paint and Shrubs (we ask that you contribute money towards the purchase of these items)

It is so important to show our students that what they are doing for others within our community is important and truly makes a difference. Won't you help us by contributing items as you are able. You may drop off your contributions to the front office at the Crossroads Campus. Thank you in advance for your help with these worthwhile projects!
