

Shout Out

A shout out is a line you can purchase to be printed in the yearbook. It is a great way to send a special message to your child. It is a great way for your child to let that special teacher or coach know how they feel. It is a fun way to put your favorite song lyrics or movie quotes in the yearbook. It is only \$5, and your word will be immortalized.

Note: Miss Hawks is the judge of whether or not your Shout Out is appropriate. If you attempt to put in something inappropriate for school, she will give you a disapproving gaze and keep your money as punishment.
