

These supplies should be sent in on the first day of school. Your students will need the following items for individual use in our classes. They can be kept in student's lockers throughout the year.

### **Personal Supply List**

- Earbud-style headphones
- Dividers for 1-inch binder (1 pack with at least 6 tabs)
- Two 1-inch binders for morning and afternoon classes
- 2 packs of Loose leaf paper (college or wide ruled)
- A pack of Graph Paper
- Supply of pens (blue or red), pencils with erasers, and Highlighter
- 1 pack of colored pencils
- Pouch/box/container, etc. to hold writing utensils (your choice of style/method)
- For 6th grade, 7th grade Math, Pre-algebra, Algebra 1, and Geometry, the required calculator is the TI-30X IIS scientific calculator. If you are purchasing a new calculator, buy this one. If students already own a substantially similar calculator, they can continue using it. However, students will not be allowed to use a TI-34 MultiView calculator (or equivalent) in class and will need to buy the TI-30X IIS.

- Markers (8 count or more)

- Fine tip black ink pen (2 or more)
- Scissors (1 pair)
- Glue stick (1)
- Any plastic container to hold the supplies (or even a shoebox)
- Sketchbook (8.5" x 11" or larger) -- it is fine to re-use last year's sketchbook as long as you have at least 25 blank pages available!
