

The GRACE Annual Fund

The Annual Fund is the most important area of fundraising for GRACE and provides the resources to make improvements to our campus facilities, instructional technology, and professional development opportunities that otherwise would have to be delayed or eliminated. While GRACE accepts Annual Fund donations throughout the year, the school encourages participation at three times during the school year:

- Annual Fund Campaign (Fall)
- End of Year Giving (End of December)
- Celebrate GRACE Fundraising Event (Early Spring)

Below is a partial list of how Annual Fund donations have been invested over the last five years.
