SUMMER HS MISSION TRIPS

All high school parents/students are invited to attend an informational meeting on January 28th about this year's high school summer mission trip scheduled for June 16-22, 2019. This trip is formally called the Adventure Trip and consists of backpacking in the Georgia mountains and serving others in Atlanta. Come hear about the details on January 28th at 6:00pm in Mr. Dewey's room (Room #133).

ELEMENTARY STEAM NIGHT

Thank you to everyone who came out and participated in last week's Elementary STEAM Night! We had a great turnout and a lot of GRACE family fun! In 4th and 5th grade,

teams of parents and students worked together to solve 2-step problems on task cards using Singapore Method bar models. In the gym, parent/student teams "bought" chocolate chip cookies and mining tools with the goal of earning more money from the "mined" chocolate chips than the cost of the cookies and the tools used to mine them!

THANK YOU NURSE JOSH

TK students learned all about NURSING and the letter N last week when a nurse practitioner at Duke hospital paid their classroom a visit. Mr. Josh showed students his stethoscope and bandages and explained what it's like to be a nurse.
